

Nine reasons to choose Assurity for Disability

1. Easier to place

That's a tall order – and we have the underwriting professionals to back it up. Our goal is to work with you to provide the best possible offer for your client.

2. One-on-one access to underwriters

Need a risk assessment on a complex case? Talk to underwriters dedicated entirely to DI cases, who can answer questions and resolve issues.

3. Technology with impact

Access valuable tools to help you successfully sell DI. Present the need and run a quote from our custom quoter at [diquoter.assurity.com](#). Then use Assurity's convenient e-application to submit your business.

4. Full disability portfolio

You've got options: simplified, fully underwritten, graded benefit for impaired risks and business overhead protection. We have DI to fit nearly any occupation, health condition or budget.

5. Options for previously declined clients

Assurity is among the price leaders in offering Graded Benefit Disability Income Insurance. Have clients unable to qualify for a traditional DI policy? We've got you – and them – covered.

6. Disability market builder

We didn't get into the DI market, we helped build it. With a legacy dating back to 1890, you can be confident you're working with committed experts in the disability insurance space.

7. Big advantages for small business owners

Offer your qualified business owners access to special benefits: 20% Business Owner Income Enhancement, one occupation upgrade, and 15% multi-life discount on individual DI and 5% on BOE.

8. Great service is in our DNA

You're much more than an agent number. We create personal ties so we can be there when you need us and how you need us.

9. We'll be there for your clients

Assurity has long lived our mission of helping people through difficult times. You can be confident in Assurity's commitment to honoring our promises to your clients now and in the future.
